Services

Mt Spokane Grading

Mobilization

\$3,500.00 / ea

\$3,500.00

Mobilization of crews and equipment to Mt Spokane.

Grading

\$14,193.94

Price includes 2 days for 4 man grade crew and equipment as needed. If crew is onsite for only 1 day, grading price will be half. Motor grader, grade roller, water truck, Huber grader and skid steer. Equipment selected based on visual observation of road during site visit (4/22/2026). If additional equipment is required due to unknown conditions, price may need to be adjusted. Area to be free of debris and ready for grading. No additional materials included. Any additional materials requested will be quoted at a price per ton delivered.

Subtotal: \$17,693.94

3200-8.1% County Group (Combined): \$1,433.21

Total: \$19,127.15

Standard Disclaimers and Exclusions

Standard Exclusions: Saw cutting, excavation, sub-grade prep, surveying/ engineering/ staking/ layout, testing, soil sterilant, pavement markings, wheel stops, signage, joint sealant, joint adhesive, utility adjustments, landscape restoration, sealing, striping, prevailing wages rates, holiday, weekend, or night work (price to be negotiated), miscellaneous asphalt patching, traffic control, flaggers, spotters, permits, bond, sales tax, or use tax on materials, unless specifically mentioned in this quote.

This PROPOSAL must be attached to and become part of any subcontract agreement for this project. If the customer redlines any bid items, or changes scope of work, BDAP reserves the right to update terms of the estimate and contract conditions.

Escalation: Due to the volatility of asphalt prices, this bid shall be withdrawn if not accepted within 30 days. BDAP reserves the right to increase the contract price due to supply price increases.

Property Damage: If the project must be accessed across concrete, BDAP will not be responsible for damage to concrete.

Disclaimers:

BDAP cannot guarantee 100% drainage for slopes that are limited to or designed at less than 1.5%.

Final billing will be for actual quantity used or area paved, unless otherwise specified. All projects will be measured upon completion and invoiced accordingly.

Unnamed project Proposal

BDAP warranty is void if we are directed to grade and/or pave your project in inclement weather or other unsuitable conditions.

For jobs that BDAP does not finish grade - Pave Only price is based on grade prepped by others being ready for asphalt when the pave crew is scheduled to pave. Delays caused by the contractor or other subcontractors on the job site may result in charges for standby time or rescheduling costs. Finish grade that is not prepared to proper slope or depth and results in HMA overage or added time, will be billed to the contractor.

For work done after September 1st. - this work has been ordered beyond normal weather conditions for asphalt pavement. By accepting this bid, you acknowledge that adverse weather may affect the product's quality and finish, including aesthetics.

Full payment is due within 30 days of the invoice date. BDAP reserves the right to file a property lien if payment conditions are not met. The buyer agrees to pay any collection costs and attorney's fees that BDAP may incur to effect collection of monies due for work performed. Interest on any unpaid balance over 30 days from billing will be charged at 1% each month. Payments made by Credit Card will be subject to a 3.5% processing fee.

Acceptance
